Clean Living

Bibabath Portable Bathtub

After his day in the mud, degripping Junior is about as much fun as Sainsbury's on a Saturday.

If you haven't a tub and your little grub isn't quite ready for a power shower (splashing Mummy's still too much fun), invest in a Bibabath.

Comprising an aluminum frame and waterproof fabric, the height-adjustable, nonslip bath is a snap to set up in almost any type of shower, so you can rinse your rascal with ease.

When empty, it folds up to store flat against a wall. Plus, it weighs less than three kilograms, so you can take it on holiday.

It's lather brilliant.

Available online at bibabath.com.
