Children's Shopping Paradise Launched

Les Trois Enfants™ is an exciting and pleasurable on line shopping experience for the fashion conscious youngster and parent. The site offers a wide range of products, in a user friendly environment.

For Autumn and Winter 2005, the boutique is providing 'dreamy' girls jackets and skirts trimmed with fur from Roma e Toska, and the most divine Winter 'Snowflake' Coat trimmed with soft grey fur and available for mums too! Swirly colourful dresses are in silks and velour from Eliane et Lena, and for the rising fashionista, city and sporty looks are offered from Oxbow. The boys have a choice of soft fleecy hoodies, relaxed trousers and long sleeve Tees, covering a variety of themes from 'Snow' to 'Skate' to 'Trust Me', from Oxbow and Yes No Maybe.

For bedtime, Turquaz, a fair trade company, offers a cuddly nightwear collection of pyjamas, nightdresses and dressing gowns.

Looking forwards to Summer 2006, Les Trois Enfants™ welcomes Nolita Pocket and Rare to the collections. To enter our wardrobe, log on to www.lestroisenfants.com

We look forward to seeing you!
